

## DDG Mine Action / Household Questionnaire / Baseline Study

### Interview data

I1	Report number:		
I2	District/ Province/ Governorate/ Region		
I3	Sub-district/ District/ Payam/ Sub-county		
I4	Town/City/ Area/ Parish/ Boma		
I5	Village name:		
I6	Urban or Rural?	1 = Urban 2 = Rural 3 = Peri-urban	... _
I7	GPS Coordinate (if needed):		
I8	GPS indicator: (where did the GPS reading take place?)	1 = School 2 = Mosque 3 = Police station 4 = Health centre 5 = Sports field 6 = Commercial tower (etc tower etc) 7 = Market 8 = Community centre 66666 = Other.....	... _
I9	LIS Locator code (if any): (Landmine Impact Survey)		
I10	Enumerator name:	(write the name) _____ <i>code can be issued later if required</i>	
I11	Date:		
<b>Background data (do not read the answers out loud unless this has been highlighted)</b>			
B1	Sex of respondent:	1 = Male 2 = Female	... _
B2	Age of respondent:	(Write the age)	
B3	How many families live in this house / household?	(write the number)	
B4	How many members are there in your family in this house?	(write the number)	

B5	What is the ethnicity of your family? (Which clan/ tribe/ group does your family belong to?)	Write the answer _____ <i>Code can be issued later if required</i>	
B6	What has the source of income (occupation) been for your family during the last year?  <i>If more than one income source, please ask them to rank the answers with 1, 2, 3 (where 1 = the primary income for the family/ household)</i>	1 = Fishing 2 = Casual work/labourer/collector 3 = Farming (agriculturalist) 4 = Livestock (pasture) 5 = Self-employment (businessman/-woman) 6 = Government employee (incl. military & police) 7 = Employee with organisation/private company 8 = Remittances/supported by others  66666 = Other..... 77777 = Don't know 88888 = No response	1.  __  2.  __  3.  __
B7	What kind of activity (jobs) are you conducting/ involved in for the family?  <i>Please write down, max. 3 choices (but no ranking needed here)</i>	1 = Fishing 2 = Casual work/labourer/collecting firewood 3 = Farming (agriculturalist) 4 = Livestock (pasture, herding) 5 = Self-employment (businessman/-woman) 6 = Government employee (incl. military & police) 7 = Employee with organisation/private company 8 = Looking after the family/children/cooking  66666 = Other..... 77777 = Don't know 88888 = No response	...  __  ...  __  ...  __
B8	On a scale from 1 – 9, how do you perceive the income situation for your family?  <i>(1 is considered very poor, while 9 is considered rich/ well off)</i>	Write the number (scaling) they tell you  77777 = Don't know 88888 = No response	Scale:
<b>Mines and UXOs (do not read the answers unless this has been highlighted)</b>			
MU1	Are you aware of any mines and / or UXO present in your village / area?	1 = Yes 2 = No → skip to question PSI1 77777 = Don't know → skip to question PSI1 88888 = No response → skip to question PSI1	... __
MU2	If yes, do you consider these mines and / UXO a problem?	1 = Yes 2 = No → skip to question MU4 77777 = Don't know → skip to question MU4 88888 = No response → skip to question MU4	... __
MU3	If yes, how do you rate the problem?  <i>NB: Read out answers</i>	1 = Small 2 = Medium 3 = Big 4 = Very big 77777 = Don't know 88888 = No response	... __
MU4	Does the presence of mines and UXO affect your life in any way?	1 = Yes 2 = No → skip to question MU6 77777 = Don't know → skip to question MU6 88888 = No response → skip to question MU6	... __

<p>MU5</p>	<p>If yes, in what ways does it affect your life?</p> <p>Please rank the answers 1, 2, 3 (we would like the respondent to prioritise their answers here, if possible)</p>	<p><u>Human Assets</u>                  1 = No skilled resources to help us (doctors, teachers)                  2 = Health situation poor                  3 = Educational level poor</p> <p><u>Natural Assets</u>                  4 = Constraints in agricultural production                  5 = Constraints in living from the livestock (pasture)                  6 = Constraints in living from water sources (drinking, washing, and/or fishing)                  7 = Constraints in living from jungle/forest/far away places</p> <p><u>Financial Assets</u>                  8 = Decrease in income (cannot sell anything, loss of wages, inability to access credit)                  9 = Maintain my income (I can sell the mines/ UXO)                  10 = Cannot access local markets</p> <p><u>Physical Assets</u>                  11 = Constraints in getting to work (farming, pasture, fishing)                  12 = Constraints in fetching water                  13 = Constraints in using roads, bridges, buildings                  14 = Constraints in returning because people are occupying our houses</p> <p><u>Social Assets</u>                  15 = Constraints in being/ sharing resources with family and friends                  16 = Cannot practice my religion                  17 = Cannot maintain my welfare or integrity (cannot support my family)</p> <p><u>Security and safety</u>                  18 = We do not feel safe (mines/ UXO are a threat)                  19 = We are afraid because accidents have happened</p> <p>66666 = Other.....                  88888 = No response</p>	<p>1.  __ </p> <p>2.  __ </p> <p>3.  __ </p>
<p>MU6</p>	<p>Are you using any land suspected of being contaminated with mines and / or UXO?</p>	<p>1 = Yes                  2 = No → skip to question MU8                  77777 = Don't know → skip to question MU8                  88888 = No response → skip to question MU8</p>	<p>....  __ </p>

MU7	<p>If yes – why are you using land (or water source) suspected / being contaminated with mines and/ or UXO</p> <p>Please write down, 3 choices (but no ranking needed here)</p>	<p><u>Human Assets</u> 1 = Travelling on suspected contaminated roads to get to school, health care facilities</p> <p><u>Natural Assets</u> 2 = We can only live from the land (farming) no other land to farm 3 = This is the only land for our livestock to graze from (pasture) 4 = We need to find water (for drinking) 5 = We need to fish 6 = We can only live by/ from the jungle/ forest/ places</p> <p><u>Financial Assets</u> 7 = We need to be productive so we can sell (have an income) 8 = We want to protect our possessions (land, buildings) 9 = I need to exist, maintain my income (casual labour)</p> <p><u>Physical Assets</u> 10 = This is the only access (road) to work (farming, pasture, fishing) 11 = This is the only access (road) to water sources 12 = This is the only infrastructure we can use (roads and buildings)</p> <p><u>Social Assets</u> 13 = Because we want to be with family and friends, or need to get to them to be able to borrow/ share resources 14 = Because we want to practice our religion</p> <p><u>Security and safety</u> 15 = Because the security situation does not allow me to go anywhere else (restricted access)</p> <p>66666 = Other..... 88888 = No response</p>	<p>..... _ </p> <p>..... _ </p> <p>..... _ </p>
MU8	<p>Have you or anyone in your family had an accident with mines and/ or UXO in this area within the last year?</p>	<p>1 = Yes 2 = No → skip to question PSI1 77777 = Don't know → skip to question PSI1 88888 = No response → skip to question PSI1</p>	<p>..... _ </p>
MU9	<p>If yes – how many accidents?</p>	<p>(write down the answer)</p>	
MU10	<p>If yes – how many people injured or killed?</p>	<p>(write down the answer) (if no people affected write 0) (if you see a need for collecting more detailed information on an accidents, you can use the IMSMA reporting format in this regard. Discuss with your team leader)</p>	
MU11	<p>If yes – how many animals injured or killed?</p>	<p>(write down the answer) (if no animals affected write 0)</p>	
MU12	<p>If yes – how many vehicles damaged?</p>	<p>(write down the answer) (if no vehicles affected write 0)</p>	

<b>Present situation and improvements (do not read the answers out loud unless this has been highlighted)</b>			
PSI1	<p>On a scale from 1 – 7, how do you see your situation (as it is today) in the below categories? 1 represents very bad, while 7 represents very good.</p> <p><u>Read out the situation and then tick off all boxes with an indication (scaling)</u></p> <p><i>Guiding scale: (1 = very bad), (2 = bad), (3 = slightly bad), (4 = neither good or bad), (5 = slightly good), (6 = good), (7 = very good)</i></p>		
<b>Human Assets</b>		<b>Natural Assets</b>	
1 = Skills and knowledge, such as the level of doctors, teachers etc.	Scale:	4 = Land (farming and pasture) (availability of)	Scale:
2 = Educational situation	Scale:	5 = Water resources, (availability of)	Scale:
3 = Health situation	Scale:	6 = Jungle, forest, far away places (availability of)	Scale:
<b>Financial Assets</b>		<b>Physical Assets</b>	
7 = Income (being able to sell anything)	Scale:	10 = Access to land, water, irrigation system etc.	Scale:
8 = Hold on to ones possessions (afford to stay in house, etc.)	Scale:	11 = Access to infrastructure, such as roads, buildings, power lines, schools, bridge etc.	Scale:
9 = Local market opportunities	Scale:	12 = Access to own house, resettlement, etc.	Scale:
<b>Social Assets</b>		<b>Safety and security</b>	
13 = Family and friends (activities with, being with, sharing resources)	Scale:	16 = Safety – from mines/ or UXO	Scale:
14 = Religion (can you practice your religion)	Scale:	17 = Accidents – from mines/ or UXO	Scale:
15 = Welfare, integrity (I can support my family)	Scale:		Scale:
66666 = Other _____ (write down the answer – if any)			
88888 = No response			

PSI2	<p>In what areas would you like to see improvements?</p> <p>Please rank the answers 1, 2, 3 (we would like the respondent to prioritise their answers here)</p>	<p><u>Human Assets</u> 1 = We need skilled labour here to support our hospitals, clinics, schools</p> <p><u>Natural Assets</u> 2 = Have (more) land to farm, 3 = Find (more) pasture for livestock 4 = Have good water resources for drinking 5 = Have good water resources for fishing 6 = Have firewood to collect, finding building material, finding other forest products</p> <p><u>Financial Assets</u> 7 = Greater income and productivity 8 = More or better quality possessions (land and buildings) 9 = Better jobs / finding jobs (includes casual labour)</p> <p><u>Physical Assets</u> 10 = Safer access to my farming fields 11 = Safer access to grazing areas 12 = Safer access to water resources 13 = Safer access to fishing areas 14 = Access to infra structure (roads and buildings)</p> <p><u>Social Assets</u> 15 = To be with our family and friends, to share resources with them 16 = To practice my religion 17 = To improve my welfare, integrity, status</p> <p><u>Security and safety</u> 18 = We need to feel safe. No threat from mines and UXO 19 = We need to feel protected. To keep the mines and UXO for protection 20 = We want no accidents. No threat from mines and UXO</p> <p>66666 = Other..... 77777 = Don't know 88888 = No response</p>	<p>1.  __ </p> <p>2.  __ </p> <p>3.  __ </p>
PSI3	<p>If clearance takes place - who will benefit from the land, which is going to be cleared?</p> <p>(if more than one answer please write down max. 3 choices)</p>	<p>1 = Me / my family 2 = Another person 3 = State / government (hired from) 4 = Cooperative society 5 = Other organisation(s) / company 6 = My village / area</p> <p>66666 = Other..... 77777 = Don't know 88888 = No response</p>	<p>....  __ </p> <p>....  __ </p> <p>....  __ </p>
PSI4	<p>How many families have returned to your village within the last year?</p>	<p>(write down the answer)</p> <p>If Don't Know or No Response, indicate this by writing it manually. If 'None' write "0" and &gt; skip to question PSI6</p>	

<p>PSI5</p>	<p>If people have returned - do you know why they have returned?</p> <p>Please rank the answers 1, 2, 3 (we would like the respondent to prioritise their answers here)</p>	<p><u>Human Assets</u>                      1 = Because we now have skilled labour here to support our hospitals, clinics, schools                      2 = Our health situation has improved                      3 = Our educational level has improved  <u>Natural Assets</u>                      4 = There is land to farm, to find pasture for livestock                      5 = There are good water resources,                      6 = There are good fishing resources                      7 = There are resources to collect firewood, finding building material, finding forest products  <u>Financial Assets</u>                      8 = Because now we have more Income                      9 = Now we can regain our possessions (land and buildings)                      10 = Now there are (more) jobs to be found (includes casual labour)                      11 = Markets have opened  <u>Physical</u>                      12 = Now we have access to farming and pasture                      13 = Now we have access to water                      14 = Now we have access to fishing areas                      15 = Now we have access to infra structure (roads and buildings)                      16 = We can return to our homes  <u>Social</u>                      17 = Now we can be/share with our family and friends                      18 = Now we can practice our religion  <u>Security and safety</u>                      19 = Now it is safe from mines and UXO. No more accidents                      20 = Now we feel protected. The mines and UXO are not a threat any more                      21 = There is no more fighting here</p> <p>66666 = Other.....                      (e.g. we / they were told to move back)                      77777 = Don't Know                      88888 = No response</p>	<p>1.  ___ </p> <p>2.  ___ </p> <p>3.  ___ </p>
<p>PSI6</p>	<p>What other development activity, is going on, or planned to take place in your village/ area?</p> <p>(if more than one answer please write down max. 3 choices)</p>	<p>1 = Resettlement                      2 = Infrastructure                      3 = Health                      4 = Water resource                      5 = Fishing                      6 = Agriculture / pasture                      7 = Culture / religion                      8 = Firewood / building materials                      9 = Education                      10 = Markets (financial)</p> <p>66666 = Other.....                      77777 = Don't know                      88888 = No response</p> <p>(if the answer is “don't know” or no response – the questionnaire is now finished)</p>	<p>.... ___ </p> <p>.... ___ </p> <p>.... ___ </p>
<p>PSI7</p>	<p>Do you remember which organisation(s) is/ are going to conduct the activities?</p>	<p>(write the name(s) of the organisation(s) – if any)</p>	

Thank you
